Mixed level Vinyasa Flow: Yoga that combines alignment, breath and holding the poses to connect the mind and body. Students combine movement and breath to create a 'vinyasa flow.' This class cultivates balance, flexibility, strength, and endurance while exploring a variety of mixed level poses.

****Yoga Basics:** A gentle workout that enables nearly everybody to enjoy a yoga practice and promote increased activity for better health.

Mixed Level Yoga: Find your new edge with mixed level yoga poses and sequences. Suitable for beginners or Yogis that are looking to deepen their practice.

Pilates Mat: A class that is the perfect balance of strength and flexibility as we put a big focus on the "powerhouse" of the body - the core! This class is great for improving posture, improving flexibility, strengthening the core, preventing injury, enhancing sports performance and more! If you're looking for your next great core challenge, this class is it!

Restore & Recover: This 30-minute class is focused on releasing tension and restriction in different areas of the body, allowing us to be able to move better. We will use tennis balls, lacrosse balls, foam rollers and pnf stretching to help correct imbalances that occur over time.

Restorative Yoga: We will restore our bodies and minds to a place of peace and homeostasis, using props including blankets, bolsters and blocks to cultivate a healing environment. This class includes incredibly relaxing passive stretches held for several minutes with the intent of balancing the autonomic nervous system. This is an hour of relaxation and self-care.

Simply Stretch: Flexibility is one of the key elements of well-being. Moving gently through a variety of stretches for the body will increase your range of motion, reduce both muscle and joint pain while enhancing flexibility. A variety of tools/equipment will be used including straps, exercise balls, blocks and fascia balls. Regardless of where you are in your fitness journey, everyone will benefit from 45 minutes of stretching!

Stretch Flow & Roll: A synergy of basic core strength and stretching exercises with foam rolling techniques. Come give this unique combo a try!

Yin/Yang Yoga: Class begins with a yang flow to develop muscular strength and flexibility. Then transitions to long held passive yin poses that may incorporate foam rollers, restorative bolsters, or straps to help work on the deep, dense (YIN) connective tissues and joints in the body.

Yoga Flow: A mixed level vinyasa (breath synchronized) flow class that warms the body, balances the nervous system, and revitalizes the mind and body.

Power Pilates: Power Pilates is a format that blends cardio, strength training, Pilates and stretching to maximize results. It incorporates body sculpting, strength and resistance training with weights, bands and Pilates balls.

Vin/Yin Yoga: a 30 minute vinyasa flow and 30 minutes of yin yoga. A great class to go at your own pace!

Vin/Restorative Yoga: a 30 minute vinyasa flow followed by 30 minutes of restorative yoga. The perfect class to work up a quick sweat and then restore and relax before bed!
